Organisation Name:**Comment text:**

I wish to add my name in opposition to the Boundary Commission proposals to move over a thousand residents from the Astley Bridge ward into the new South Turton ward. These proposals would damage an existing and historic community which has existed for over one hundred years. Many events take place within the ward, many hosted by the Friends of Astley Bridge, a local community group. By dividing the area, these events will be damaged and Andrew Lane Park, where many of the events are held, would no longer be in Astley Bridge! Residents in the affected areas would also continue to rely on local facilities such as shops, churches, and community buildings within the Astley Bridge ward due to the distances they would have to travel to South Turton.
