Comment text:

I wish to add my name in opposition to the Commission's proposals to move residents from the Astley Bridge Ward into the new South Turton Ward. I believe the proposals you have put forward would damage the heart of a longstanding and proud community which has existed since 1897. Many events take place within the community, including the Christmas Lights switch on, Remembrance displays and an Easter Egg hunt. I believe these proposals will damage such community activities. I also believe these proposals are wrong, given the lack of connection with the new South Turton Ward. It is for these reasons why I wish to express my opposition to the proposals.
