Comment text:

I wish to add my name in opposition to the proposed boundary changes for the Astley Bridge Ward. Astley Bridge is a distinct geographic area, which has existed for over 100 years, and existed before the creation of Bolton Council. This longstanding community which has several generations of families living in it has forged a strong community bond. I believe the Commission's proposals will damage this proud and strong community which often pulls together to hold so many local events. I believe your proposals which seek to carve up this longstanding community will be damaging for the residents affected.
