I am writing to you to express my opposition to the proposals to move parts of the Astley Bridge Ward into a new South Turton Ward. I believe this would be wrong for the community of Astley Bridge, particularly when local residents will have no direct road access between Templecombe Drive and the rest of the new South Turton Ward. I believe the Commission should take note of this before they push ahead with what I view as a damaging decision for a community that has a long and proud history.
