I am a local resident of Astley Bridge and involved in the local community, attending Bank Top United Reformed Church and volunteering at the Oaks School. Many of our congregation live within Astley Bridge and would be directly affected by these proposals that would split the community apart. A lot of work has been put in locally by local Cllr's, community groups, churches and businesses to bring the people of Astley Bridge together and these efforts have been successful. I think it would be wrong to divide the current ward in the way that is being proposed and think that consideration should be given to local views and how the community feel about this.
