### Comment text:

I am the proud of owner of a home on Gredle Close M41 which is Urmston. You changing the boundary to stretford will make it difficult for school application as now we won't be living in Urmston. We also will see our house price drop. Also I have enquired with home and car insurance premiums and these will be shooting up with a change of area to stretford. If I wanted to live in stretford I would have bought my house in stretford. Why do you need to mess with these borders. It's a waste of tax payers money and efforts. On top it will be detrimental to us the public. I live on grounds which is the former Urmston Grammar school. The roads are named after the Urmston houses. Do not put us now in Stretford.
