I would have to object to the proposal put forward to change the boundary for Manor on the basis that there would be a great disadvantage to the small percentage of constituents living in the not so affluent areas of Manor such as the Firsway (Manchester overspill estate) Totnes Rd, Oaklea Road, Exmouth Rd areas. The boundary seems to favour a much bigger population for those living in the more affluent areas such as Moss lane, The Avenue, Taunton Road/Kenilworth Rd estate and surrounding roads. I think there is a much larger electorate in the affluent area to those living in the not so affluent areas of Manor and i think it is unfair. It is pretty clear the affluent area of Manor no doubt would be in favour of the Conservative Party who have been in place for some years and will no doubt remain in place for years to come should this change go ahead. It doesn't give any advantage for the residents who possibly are middle/lower class who would no doubt favour the Labour party.
