Subject: Boundary Proposals for Bucklow

Categories: Submissions, [REDACTED]

Dear Sirs,

I am writing to you as a resident of Carrington in Trafford regarding the changing of the Wards.

I understand that you are dropping Sale West and want to incorporate Carrington into the Ward with Warburton and Dunham and make us Western Parishes.

I would like to bring it to your attention that Warburton and Dunham are very different communities compared with Partington and Carrington and have absolutely nothing in common with our area. Warburton and Dunham are very much rural and farming communities despite the locations and are more the Altrincham side of Trafford.

I therefore disagree with your proposals

Kind regards

Yours faithfully
