The Timperley/Broadheath boundary needs amending. The reason being that the boundaries for Brooklands, Sale and Stretford are Manchester/Washway Rd. Yet in Timperley the boundary is pushed over to the right as it switches to the canal. This isn't right. All roads immediately off Park Rd Timperley should be captured in Timperley boundary not Broadheath. If the boundary continued to be Manchester Rd this would be the case. I live in Timperley and my address is Timperley literally 5 mins walk from Timperley Station not Broadheath and I strongly request that the boundary should be adjusted to reflect this. Thank you.
