TO WHOM IT MAY CONCERN

As a resident of Partington I strongly disagree with the Boundary Commission proposals to change the ward of Partington to lose Sale West and now to include Warburton & Dunham.

Partington has nothing in common with rural farming communities and feel this would be a backward step for our community. We are very different communities and have nothing in common with Warburton or Dunham ie employment, schools, housing, ammenities and living costs to name but a few.

As a resident of Partington I would politely suggest you reconsider your proposals as it is not what the residents of Partington want and feel this would have a devastating effect on our community.

Yours faithfully
