Subject: Changes in Trafford?

Categories: Submissions, [REDACTED]

Dear Sirs,

I live in Bowdon Ward and would remain in a new Bowdon Ward under your proposals.

I am concerned that the Dunham and Warburton areas are taken out of Bowdon Ward under these plans to a new unwieldy Western Parishes Ward. People in Dunham and Warburton access services in Altrincham and Bowdon, and use Altrincham town centre for shopping. They have little in common with Partington which has the highest level of deprivation in Trafford: rather these are wealthy, rural communities.

Please consider moving Dunham and Warburton back into your new Bowdon which can be accommodated in terms of electoral equality and I think that should happen because Dunham is clearly part of the Altrincham area not Partington.

Regards,
