Subject: Bowdon ward boundary change proposal

Categories: Submissions, [REDACTED]

Dear Sir,

I live in Bowdon ward and stay in the new Bowdon ward under your plans. I am very concerned about proposals to remove Dunham and Warburton areas from Bowdon ward. People in Dunham and Warburton send their children to school in Bowdon and Altrincham not Partington and Carrington; they access medical services here, and use Altrincham town centre to meet their shopping needs. They are also markedly different (wealthy and rural) areas to Partington which has the highest level of deprivation in Trafford. Whilst I welcome the decision to move Oldfield Brow into Bowdon ward this is the best connected part of Altrincham to Dunham strengthening the case for Dunham to remain in Bowdon. There is no logic to your Western Parishes proposal which is both too large in size and too small in electorate. Please reconsider this configuration.

Regards,
