Dear Sirs,

I live in Ashton upon Mersey and would remain in the Ashton upon Mersey Ward under these proposals. I think the A56, River Mersey and Harboro Rd/Carrington Lane make sound boundaries, being easy to understand. Given the robustness of these boundaries, I am perplexed and concerned about the proposal to cross Carrington Lane at the west end of the ward: what is to be gained? I believe that it would be more sensible to leave the current boundaries of the ward unchanged.

Please feel free to contact me if you wish to discuss this response.
Go well today,
