### Comment text:

I live in the broomwood estate in Timperley and there are a lot of residents, including myself, that are significantly concerned about breaking up the broomwood area into two wards. We are very proud of our area, although it is a relatively deprived area compared to the surrounding wards. I would certainly want the broomwood area to stay together as one, to work together and have a focus on improving the area. This certainly would not happen if it is split into two, mixed with Hale Barns and other areas of Timperley. This makes no sense, and would only cause further social deprivation. I really do hope that the people consulting on these changes have an interest in not hiding the more deprived areas in boundary changes.
