### Comment text:

Where is the logic in linking Matchborough with Woodrow. There was a previous proposal to link Matchborough and Winyates shopping centres together. Also the local primary schools link to the middle school , which is in walking distance for everyone in Matchborough and Winyates. The link to Woodrow involves travelling by car or bus. Ipsley also has the parish church for both areas. The doctor's surgery also covers both areas too. Why change things when they work effectively.
