After seeing the draft plan, I have to say it's about time that Sunnyhill is coming into Blagreaves. I live in the area, & sunnyhill should either have its own ward or be part of Blagreaves because the rest of the sunnyhill is with Blagreaves and it makes sense of having the rest half of Sunnyhill into Blagreaves. It should be actually level from Littleover Lane, so it's starts from Village St & downwards. You can take away from Moorway Lane, Wilson Rd(Left Hand Side), and Harpur Ave, Carlisle Ave, The Hollow into Littleover Ward, as that patch would be better with Littleover rather than Blagreaves, because Sunnyhill area is better suited with Blagreaves ward.
