A local resident of Arboretum, I would like to support the proposals put forward by the local Cllrs '**Keeping Arboretum Ward's identity and interest intact**'. These minor change keeps Arboretum Park as the focal point as well as the Arboretum School in the community it serves.

I also support the Boundary Commission proposal to keep Arboretum Ward a three-member ward. The local community is diverse and the ward is rich in history, one of the reasons my family and I choose to move into the area.

With best wishes,
