Hi,

I shared your advert with a local group and asked them to write in with their comments. However two residents shared comments with me so I'm sending them on for your consideration.

"Perhaps the boundaries commission should consider making Osmaston a ward in its own right? Osmaston doesn't have historical links to Wilmorton and Crewton either. If anything, I'd have thought Allenton would be the easiest choice to link it to."

"It would be nice for Sinfin to be on there own but if it can't be leave us with Osmaston as both communities get along quite well together. Could you please pass this on for me"
