Comment text:

It has been brought to my attention that a proposal has been put forward by the Boundary Commission to move Wick from the Fladbury ward to the Pershore ward. I have recently moved to Wick and have already been impressed with the way Wick is looked after by a most competent Parish Council. A big part of this is, I feel, due to both Wick and Fladbury being rural areas with similar issues. Indeed, Wick is a village with four working farms in the parish so WDC councillors well understand rural issues. Given that the population of Wick is a fraction of the population of Pershore with very different rural needs to that of a town I feel that should Wick become part of the Pershore ward it would inevitably be poorly represented.
