Dear Sir My wife and I have lived in Burham for over 40 years, and I am on Tonbridge and Malling's electoral Register. I am concerned at the amount of new build houses going on in the next villages to Burham. I am not against that build indeed my son and his partner have to live with us because they cannot get a local place to live in. I have spoken to councillor Dave Davis and do understand that our ward has problems on a scale that other wards do not have. As such I think the proposed ward of Burham Eccles and Wouldham should be a 3-member ward not a 2-member ward. Thanks Kind regards [REDACTED]
