How can anyone living in Coverdale Road be classed as part of Grangefield!!! the boundary should run along the line of the old railway! Should Grangefield even exist as a ward? I'm one hundred meters from Fairfield Road and nearly 900 meters from Grangefield Road, but I'm in Grangefield??? How?? I do not use any facilities in the Grangefield area at all, My local public house is the Fairfield! I use the shops at Upsall Grove! (in Fairfield!) Fairfield north and Fairfield South makes much more sense! I am strongly opposed to having my area referred to as Grangefield!
