

Stockton-on-Tees Borough Council**Personal Details:****Comment text:**

I wish to support plan B I have lived in Fairfield for 65 years. I use the local shops in Upsall Grove and the shops on Rimswell Parade . My children and grandchildren went to Fairfield Primary schools. I have used Fairfield Library and Fairfield Pub over the years. My wife and I use the Fairfield bus service as this is the only one available to us. I believe Fairfield should be represented by two councillors not one centred in Grangefield. Property prices may also be affected by being included in Grangefield.
