

Stockton-on-Tees Borough Council**Personal Details:**

I as a person that has lived in Thornaby-on-Tees all my life object to cutting our much loved town in two by these boundary changes we have suffered years of disinterest and neglect by Stockton council we are in Yorkshire and if you want to change our boundary to put us back in Yorkshire we wont object but to divide out town is a step to far and I would like to lodge my objection to such a boundary change and hopefully many more Thornaby people will feel the same .
