

Stockton-on-Tees Borough Council**Personal Details:****Comment text:**

I have lived in Fairfield/ Grangefield for many years when it was Fairfield only, why the boundaries changed I don't know but have always said I live in Fairfield and not Grangefield, I shop in Fairfield, use local transport in Fairfield, my family live, work and go to school in Fairfield, I never go to Grangefield and there is nothing there for me. Please just put us back as Fairfield
