

Stockton-on-Tees Borough Council**Personal Details:**

I have lived in Fairfield for 30 years we have brought our son up as a Fairfield resident, he went to a Fairfield School and we use Fairfield Shops and Fairfield bus service. Our house is in Fairfield and our deeds represent this...we wish to support Plan B and not have Fairfield changed to Grangefield ward. Why must you always change what people know and want to keep. I went to a Fairfield school myself my life is Fairfield so please dont change this age old ward we want it to remain as Fairfield. Thank you [REDACTED]
