

Stockton-on-Tees Borough Council

I am contacting you to offer my views on the proposed boundary changes in Fairfield and Grangefield and hope that you will give them due consideration. I would urge you to decide in favour of PLAN B. My reasons for this preference are: 1. I and my family have lived in this house in Fairfield Road for over 40 years and identify as living in FAIRFIELD. If asked by anyone in the area where I live I always reply "Fairfield". If I purchase something from a store in the Stockton/Middlesbrough area and they need a delivery address it is always "Fairfield". 2. My children went to school in Fairfield and still live in the area. 3. The local pub, just over the road, is called "THE FAIRFIELD". There have been attempts to change its name but it has remained "THE FAIRFIELD". 4. We support local shops in Fairfield, at Upsall Grove and Rimswell Road. 5. PLAN B provides a better balance of people in each ward. Surely the views of local residents are important. It is their lives, their personal history and their futures. Democracy works from the grassroots upwards. The views of the people who will be affected by decisions should inform and guide the decisions of those in power, and should not only be listened to but also acted upon. I urge you to decide in favour of PLAN B. [REDACTED]
