

Stockton-on-Tees Borough Council

I support plan b Having lived in Newham grange, and my understanding of Stockton on Tees, people in Newham grange identify more with Grangefield than they do Newtown, likewise people in Fairfield identify more as Fairfield than Grangefield Newham Grange and Grangefield residents share and use the same shops, bus routes, schools, community centres, church and parks, with close knit community identity and neighbourliness between both Newham grange and Grangefield heavily identifiable
