### Comment text:

I fundamentally disagree with the Electoral commissions proposal for the North Downs Ward, as a [REDACTED] of the Bicknor Parish meeting the suggestion of linking my locality to lenham is bonkers. I have more in common with Sittingbourne (a town in Swale) than Lenham. The north downs as a rural area and must be separate from Lenham and Harrietsham irrespective of whether it messes up you algorithm of ward sizes. Sense and local democracy must prevail.
