Independent Borough Councillors for Harrietsham & Lenham Ward

Dear Tom,with reference to the New Boundaries excluding North of A20 from Lenham Ward , I wish to register my disapproval of excluding Pilgrims Way and the Lenham Cross They are an integral part of the village of Lenham and have been a historically important part for centuries.Lenham is our village with all its amenities and culture and closest to our needs. I have alerted other local people who did not already know and have had the same disagreement and reaction.I hope this will help with your support. Best Wishes [REDACTED]
