

Stockton-on-Tees Borough Council**Personal Details:****Name:****E-mail:****Postcode:****Organisation Name:****Comment text:**

with future plans to extend wynyard how can that possibly be included in the same ward as the villages that will be totally unrepresented by these changes. the proposal had already increased the number by over 25% which will become more as wynyard expand further. All other districts have seen minor changes - leave western parishes as they are and put wynyard in with Billingham
