

Stockton-on-Tees Borough Council**Personal Details:****Name:****E-mail:****Postcode:****Organisation Name:****Comment text:**

The mandale and Victoria ward should stay as it is. Our councillors and mayor care a lot about this area. The residents are familiar with them and have a good open relationship. I feel that having the two wards together would be very hard to handle. We have different issues and our councillors are doing their best and working so hard to improve our ward. Why does stockton borough Council think they know whats best for the people of thornaby. Our TIA representatives are all mandale and Victoria born and breed, that's why they have all the seats.
