

**Stockton-on-Tees Borough Council****Personal Details:****Name:****E-mail:****Postcode:****Organisation Name:****Comment text:**

Why is it only thornaby that really going to be affected by these changes. The boundaries shouldn't be moved for political gain. I think you should leave them alone. If you want to give the Conservatives the edge tell them to get better candidates that are willing to do the job properly and help the constituents.
