To whom it may concern

I totally disagree with this proposal, we have in our ward Grange Estate and Newham grange Estate, we have strong links with bus stops, our Church which is St Pauls we have Grays Road institute and shops which is a Sainsburys. We have an Academy, Stockton Cricket and Rugby Club, a 6th form College, so in all we have no links with Newtown and do not need to. We have been Grangefield for many years and i for one do not agree with this proposal.
