

Wolverhampton City Council

Personal Details:

Name:

E-mail:

Postcode:

Organisation Name:

A large black rectangular box redacting the personal details of the user.

Comment text:

60 is too many ! The council could easily operate with 40 councillors, communications would improve, huge savings would ensue, and some of the deadwood and crooks presently in the council may just be weeded out. 60 represents the same old, same old. We want changes and savings! (and we've been robbed !)
