1. Geography of Belle Vale & 2 councillor Ward feels satisfactory. 2. Name of 'Paddington' for a ward is nonsense (& will lead to some undignified jokes). You should stick with the historic, & well known, 'Canning'. (Note; the tiny piece of road denominated 'Paddington' has been entirely omitted from this map by virtue of being labelled 'Brownlow Hill!'). 'Falkner Square' has a lot of dignity too, as an option. 3. Similarly 'Brownlow Hill' does not encapsulate the area. Try 'Royal Hospital' (which is known city-wide) or 'The Bully' (which is very familiar to all the residents in the area, who will be glad to have 'ownership'!)
