### Comment text:

I live on St Annes Road Aigburth, and I am concerned that my proposed ward is not in line with where I live. St Annes road is a cul de sac of Aigburth road, with its schools, local amenities and Aigburth Railway Station. However under the new proposal, Aigburth road will be in another ward. Local Residents have serious concerns about the speeding on Aigburth Road including Quad Bikes and unlicensed motorbikes, which cause a impact on noise and a danger to public safety. Also the issue of the survival of Local shops is a concern for me. The logical place to raise these issues, and any future issues of this type would be with the Aigburth ward, not the Mossley Hill ward. It would seem logical to me that the Aigburth Boundary should be continued along North Sudley Rd to where it terminates at Barkhill Road, and subsequently down Barkhill continuing onto Mersey Road. Or an alternative way would be to include St Annes road within Aigburth ward.
