I live in [REDACTED], Hove. The proposed boundary changes would mean that my "ward" would stretch as far as Withdean. This makes no sense. Why isn't Old Shoreham Road used as a ward boundary where I live as much of it is to the east? Landseer Road and the neighbouring streets south of Old Shoreham Road should be part of a Hove ward such as Westbourne or Goldsmid as we have far more shared issues than we have with Withdean, which has nothing to do with our community.
