Comment text:

We live in the area of Patcham and Hollingbury. We see this area as one community, a community we as a family have benefited from, its schools and local shops, such as, Patcham High School, Matalan, Asda, Marks & Spencer and Capital Hair and Beauty. Given this is our community, we identify Patcham and Hollingbury as one, and we support and welcome the new Patcham and Hollingbury boundary.
