I can see that a large slice of Stamford Ward is planned to move into the Town Centre Ward. This includes Court Recreation Ground and a section of the Stamford Ward Conservation Area. Clearly Court Rec has no residents, so not sure what the point of that change is. What are the implications for the Stamford Ward Conservation Area from these changes. Will West Hill House and the area to the left of the West Hill (driving down into town) become a separate Conservation area or is this a backdoor way of reducing the size of this CA. This CA provides an important backdrop to Epsom from the direction of Chessington and should be protected & enhanced. The section of Stamford Green CA and Court Rec should remain as part of Stamford Ward.
