To whom it may concern

I wish to express my opposition to Revere Way being re-assigned from West Ewell ward to Court ward as part of the boundaries review. In terms of ambience, access and orientation the nature of Revere Way lends itself to West Ewell and I am convinced that residents in the estate feel the same way. I feel there is no necessity for any change and that for there to be so would not be aligned with the views of residents.

Yours sincerely,
