Subject: [REDACTED] electoral ward proposed change

I refer to your physical letter dated November 12th 2021 regarding recommendations to moving the electoral ward for the above address from West Ewell ward to Court ward.

Given the letter refers to interest in hearing elector views as to where community ties lie and inviting response, I confirm that the community ties for this address/household lie with the existing West Ewell ward and therefore we do not support the proposals for moving away from West Ewell to Court wards.

I should be grateful to receive confirmation of our opposing the move in wards.

Thanks and regards
