I note that in Epsom & Ewell Draft Recommendations Report, you ignored my submission that all wards should be single member.

I note that you also jumbled my original submission on your portal.

I note that you, despite requests, failed to provide any meaningful data to allow residents to make alternative suggestions.

I therefore, again, suggest that all wards should be single member.

I, alternatively; suggest that the recommended Horton, Ruxley, and Stamford wards be divided in two to produce one man wards as this is a relatively simple process
