I am in favour of the further draft recommendations for Brighton & Hove ward boundaries in the northern and central areas, in your 5.7.22 report. The further recommendation for the five wards of Hove Park, Hollingbury & Carden, Westdene & Patcham, Hollingdean & Fiveways, and Preston Park, are more in line with our local community lives. This is in contrast to previous draft proposals. The further draft recommendations should become final recommendations, with some minor amendments as proposed by Claire Wadey in her response of 10.8.22.
