Hello,

I have been made aware of the Local Government Boundary Commission's plan to amend the boundary of Patcham.

I am strongly opposed to the idea of Patcham being split into two different Wards as this would divide a well established and historic community.

I also believe the Boundary in the 2nd proposal has been drawn incorrectly and that many recognised parts of Patcham would be excluded from the new Westdene/Patcham proposal.

My preference therefore is that Westdene and Patcham are combined but that the boundary includes the whole of Patcham as it is currently recognised.

Thanks,
