To whom it may concern,

I do not support Patcham and Hollingbury ward being divided up as the second proposal. Instead Patcham and Hollingbury should stay together in one single ward as in the Commissions initial proposal. The Mackie Avenue estate is part of Patcham and always has been, from when it was farmland. We are the third generation to live here plus our sons and grandchildren have and are growing up here. Also there is no such place as Carden it's just a road with a school.

Yours sincerely,
