Organisation Name:

### Comment text:

I object to the proposed boundary changes to Patcham. Patcham is a village in its own right and we'll lose the identity of the community should the boundaries be changed. Patcham is one of the oldest villages in Brighton and splitting it and hoping it with other wards would lose the village as it is. The Mackie estate has been apart of Patcham since it was built and is a main part of the area and hub of the community.
