If I am reading things correctly I see that you are proposing to create a ward for Whitehawk, to include The Marina and Roedean. This is excellent news and I thank you so much for listening to peoples proposals. If I may quote from my original submission? "I was born at [REDACTED] Wilson Avenue 41 years ago and currently live at [REDACTED] Ticehurst Road, basically next door!! All I have know in my life is the local area, I am a plumber, have 2 children, always had dogs (currently a French Bulldog). I walk my dog daily in East Brighton Park. I also take him to the pub with me frequently at The Marina. I shop at ASDA in The Marina (as does pretty much everyone that I know locally). I drink in the pubs at The Marina at least 4 times a week and have been known to my shame to drink there 7 days a week. I take my kids to eat at The Marina. Sometimes for breakfast and often for dinner." This new ward is perfect for myself and my family and is also supported by other locals that I have spoken to.
