Comment text:

I have found out about this late but want to make it clear that I am against the proposal for Westdene / Patcham ward. Westdene naturally aligns with Hove and you can see this across many sectors and service provision. I work in the charity sector and our offices are on Old Shoreham Road, Hove. There is no common interest between Westdene and Patcham due to the physical divide but an abundance of commonality between Westdene and Hove. I support a Westdene / Hove Park ward.
