### Comment text:

The area around Snailslynch Farm and The Kilns has been included in the Farnham Bourne & Runfold ward. This makes no sense whatsoever. This area has no connection to the rest of the Farnham Bourne & Runfold ward and is being orphaned from its natural neighbourhood, which is the Farnham Firgrove & Shortheath ward. Other than the mentioned properties, this small area is all water meadows and it would be very simple to continue following the railway line and the River Wey to include it in the Farnham Firgrove & Shortheath ward.
