Comment text:

The proposed Alfold, Dunsfold & Chiddingfold (and Hambledon) ward appears geographically too large to be effectively represented by 3 councillors, all of whom could be from a single part of the ward. It's an 11 mile drive across the ward from Ansteadbrook to Alfold. To travel from Chiddingfold to Alfold on public transport, the journey time looks to be around 1 1/2 hours. To me, a more effective approach would be to split this ward into two (a 1 member ward, and a 2 member ward).
